Business Mirror

REVOLUTIONIZING THE GLOBAL MORTGAGE MARKET Global financial leaders, policymakers and industry experts gather at the Mortgage Market Global Summit 2025, hosted by the National Home Mortgage Finance Corporation in picturesque El Nido, Palawan. The summit is poised to drive synergies for innovation, knowledge-sharing and collaboration within the housing finance and capital market sectors. It is geared to foster growth, resilience, and accessibility in housing finance worldwide such as the Philippine government's flagship Pambansang Pabahay para sa Pilipino Program (4PH). (From left) Richard Kemmish, Covered Bond Consultant; Kameel Abdul Halim, President of Cagamas National Mortgage Corporation of Malaysia; Oscar Mgaya, Chairman of International Secondary Mortgage Market Asso. (ISMMA); Renato L. Tobias, President of National Home Mortgage Finance Corporation; Johnstone Oltetia, Chief Executive Officer of Kenya Mortgage Refinance Company; Luca Bertalot, Secretary General of European Mortgage Federation - European Covered Bonds Council; Yuji Date, Director General of International Affairs and Research Development, Japan Housing Finance Agency; and Christian König, Managing Director of European Federation of Building Societies.
